FOR project ← → connect CARE PACKS

An annual event put on each fall by the *Coalition*, Project Connect is a one-day service and information fair for those experiencing homelessness and extreme poverty. Project Connect 2014 is on October 21.

Attendees receive a BBQ lunch and a wide range of free services, including: care packs, medical attention, haircuts, ID replacement, pet care and much more.

Each of the 700 people who attend will receive a *care pack*, full of essential items for the coming winter months.
