

# ALLIANCE TO END **HOMELESSNESS** IN THE CAPITAL REGION

## Unit Types

**Mat:** Sleeping pads or mattresses in shared rooms or spaces, used to accommodate individuals during crises or severe weather.

**Bed/dorm:** Shared rooms or spaces, housing two or more beds for individuals who are not related.

**Studio:** Self-contained units typically consisting of one main room serving as a combined living area, bedroom, and kitchenette.

**1-Bedroom:** Apartments or units with a separate bedroom, usually in addition to a living room, kitchen, and bathroom.

**2-Bedroom:** Apartments or units with two separate bedrooms, suitable for small families or roommates.

**3+ Bedroom:** Apartments or units with three separate bedrooms, suitable for larger families.
